BMI BabyDriving to Spain

There are 2 main routes, through the tunnel, or on the ferry, from dover to Calais, then the drive down through France and along the Spanish coast to Valencia, then inland to Sax.

The drive is about 1100 miles with about 50€ in tolls.

The alternate route is by ferry from Portsmouth to Bilbao - about 72 hours, then a drive of 475 miles through Spain to Sax. By Train

A long 24 hour ride through the tunnel, down through France down to Valencia, then across to Sax. A leisurely trip if you have the time and the money.
